Meeting

Date: 2015-05-31

Facilitator: Bjarne Gelotte

Participants: Mattias Johansson, Bjarne Gelotte, Jonas Graul Sagdahl

1. Objectives

Discuss what to do with the last hours of the project.

2. Reports from previous meeting

Tests are now covering most of the model logic. We have also created more tests and updated textures.

3. Discussion items

What to do in order to finish and submit the project.

4. Outcomes and assignments

Outcomes:

We have to create an executable jar file, update the RAD and the SDD, update the README.

Assignments:

Last meeting.

5. Wrap up

Last meeting.
